Subject: Approval of Operations Map, TME Asphalt Ridge, Cameron #1 Mine, S0470036, Task , S0470036, Uintah County, Utah

Dear Mr. Runquist:

The Division has reviewed and hereby approves the operations map you submitted February 27, 2007. This map will be incorporated into your notice of intention to commence small mining operations, but we will not replace the existing maps because they show areas of previous disturbance. Because the map is considered part of your notice, we are enclosing a copy that has been stamped approved.

This map was submitted in partial fulfillment of the requirements of cessation order MC2006-03-14-01. The other requirement of this cessation order was to reclaim areas in excess of five acres, and we understand this has been completed. The Division will terminate the cessation order once the reclamation work has been verified.

Thank you for your cooperation in completing these requirements.

Sincerely,

Susan M. White
